Dear Vance,

I am writing to tell you about the exceptional care that Anastasia [REDACTED] gave to my husband, Fred [REDACTED] during the last two years of his life.

She has nursing skills that far exceed most home health aids. Anastasia was devoted to Fred & only missed one day due to illness. She is an outstanding professional.

We were very blessed that she was here during this difficult journey of Fred's life.

Sincerely yours,

Lois [REDACTED]

Fred [REDACTED]'s wife
