To: Mr. Vance Proppati  
From: Leah Frank

Several weeks ago I had need of the services of your company "Sunlight Care".

I want to compliment you on the efficiency and competence of the people with whom I dealt.

In particular I want to mention the companion you sent to me, Yvette. She is in my view an extraordinary employee. She was pleasant, friendly, competent and took the initiative for duties, completing tasks in a timely manner.

My experience with your company was a positive one and I would recommend "Sunlight Care" to anyone in need of your services.

Sincerely,  
Leah Frank
