Personal/Companion Care, Skilled Nursing & Nurse Advocacy

From one hour to 24 hours a day, overnights and live-ins

## Why Use Sunlight Care?

We provide very personal service. We answer the phone 24/7/365 and you can speak to the owner anytime.

We are one of the few home care companies approved as an aide training facility. The time we spend with our aides during training allows for optimum aide selection & care matches. We know our aides!

Our aides' arrival and departure times are actively monitored via our proprietary timekeeping system. If they are 5 minutes late we know about it and start fixing it.

Client web portal allows you to see your visit schedule. You will also have access to your history (aides, dates, times).

Our employees are:
