Dear Nurse Gandy,  
Thank you for  
"brightening our  
day with your  
kind prayers and  
thoughts.

Your wisdom

and comfort for  
Mama through  
loving "caregivers"  
scheduled by Luz  
were most  
appreciated as  
Mama stayed with  
us here in New  
Jersey for six weeks.  
With love,  
Lillian & Robert
